

Phase II of web site

Future job page

• For this page you will identify a job you would love to do in the future, research it, using the skills you learned last semester, and include the following on your web page about it:

- grades you need in high school
- education past high school (college, trade school, on job training, apprenticeship, program to be trained , etc)
- identify salary(range) of job
- job description & why do you want this job

“My progress” page---> CBA graphs

• Chart your progress in:

- reading
- writing
- math
- science

Include graphs of the above subjects that show what progress you've made this year (get information from your other teachers)

Projects Page (with projects from at least 5 classes)

• Include papers you've written, pictures of art you've made, graphs you made in science, pictures of things from PE or core, scanned papers that were returned by other teachers, etc

Blog page

• Write your own personal blog at least for 10 days this semester. Reflect on what you're learning about in your different classes, and as many positive experiences as you can think of at school. Of course, keep all ponderings school appropriate....thanks! :-)

_____ page----->dedicated to something you really like

• Whether it's music, video games, tv, converse all stars, Jackie Chan, skiing, soccer, the color green, or something else....what's something you really like and dedicate a page to it!

Rubric:

- 0 1 2 3 4 Do the colors make the text easy to read?
- 0 1 2 3 4 Do you have things arranged NEATLY in tables?
- 0 1 2 3 4 Do all your links work?
- 0 1 2 3 4 Does your future job page have the required items and logically organized?
- 0 1 2 3 4 Are the 4 other pages included with the required items?

Score _____ / 20
